## Underground mining

<b>Kaplunov D.R., Rylnikova M.V., Eks V.V.</b> Main directions and prospects of development of energy efficient and environmentally safe deep mining.....	5
<b>Eremenko A.A., Aleksandrov A.N., Skvorcov A.G., Tsarev A.M.</b> Experimental determination of interface between the overburden and roofs of mined-out cavities in mineral deposits in Gornaya Shoria .....	11
<b>Karkashadze G.G., Mazanik E.V., Semykin Ju.A.</b> Calculation procedure for methane inflow from loose coal in longwall mining.....	18
<b>Karkashadze G.G., Hautiev A.M-B.</b> Physical equations of residual strains in coal under cyclic sorption shrinkage .....	23
<b>Lisovskij V.V.</b> Detection and elimination of hostile manufacturing situations as the method of injury risk control in coal mines .....	30
<b>Lomonosov G.G., Turtigina N.A.</b> Segregation phenomena in rock mass and its influence on the formation of the quality of products of mining production .....	37
<b>Miletenko I.V., Miletenko N.A., Odintsev V.N.</b> Evaluation of technogenic destruction of the separating pillar .....	41

## Open-cast

<b>Alexandrov B.M., Shamparov A.G.</b> The relationship of general technical and physical properties of peat in natural conditions.....	48
<b>Gavrishev S.E., Kornilov S.N., Melnikov I.T., Pytalev I.A.</b> The formation and development of facilities in the public montan development of mineral deposits for the environmentally safe disposal industrial waste.....	56
<b>Dement'ev V.A.</b> Sapropel as a source of alternative energy and natural, organic fertilizers.....	67
<b>Inshakov V.Yu., Evtushenko E.M., Kilin Yu.A.</b> Prospects for cyclical-and-continuous method in the Borodinsky open pit mine after M.I. Shchadov, SUEK-Krasnoyarsk .....	71
<b>Kilin Yu.A., Inshakov V.Yu., Evtushenko E.M.</b> Truck-and-shovel dumping unit use experience in the «Berezovsky» open pit mine .....	77
<b>Leont'ev A.A., Belogorodcev O.V., Eremin G.M.</b> Features of processes of ore by-passing to accumulation horizons in the cyclical-and-continuous method with ore passes and production shafts in deep open pit mining.....	86
<b>Minibaev R.R., Matveev A.V., Pushkarev V.Yu., Maksheev V.P., Suprun V.I., Voroshilin K.S.</b> Experience of bulk transport jumper for opening and mining working levels of cut «Chernigovets» .....	95
<b>Odayev D.G., Kosolapov A.I., Malofeev D.E.</b> Justification of borders of stage open-mining at group fields .....	102
<b>Rahimov V.R., Shemetov P.A., Nasirov U.F., Ochilov Sh.A.</b> Optimum scenario selection procedure for gold mining at small-size gold fields and mine waste dumps .....	107
<b>Rybak L.V., Burcev S.V., Minibaev R.R., Matveev A.V., Pushkarev V.Yu., Zajc V.A., Suprun V.I., Radchenko S.A., Levchenko Ya.V., Voroshilin K.S.</b> Rationale for technical parameters and areas of use complex cyclic-and-continuous technology for testing of overburden breed open pit «Chernigovskiy» .....	116
<b>Holodnyakov G.A., Vainonen N.S., Obozhin A.A.</b> Determination of open pit mining boundaries by the contour output factor at composite deposits .....	125
<b>Fedorov A.V., Gorev D.E.</b> Application of cyclic-flow technology for coal mining in order to improve the operating efficiency of the cuts .....	131

<b>Evtushenko E.M., Kilin Yu.A., Inshakov V.Yu.</b> Experience of application of conveyor transport on open pit mine «Berezovsky» .....	141
<b>Holodnyakov G.A., Abdullaev M.D.</b> Prime mine technical determinants of rational bench height in an open pit mine .....	147
<b>Holodnyakov D.G., Miller S.O., Ivanova M.A.</b> Calculation method of mining activity for investments of quarry construction .....	150
<b>Yablonev A.I., Dorogov O.V.</b> Calculation of pneumatic drive dual trailer for transporting milled peat .....	154

### **Enrichment of minerals**

<b>Kovalenko E.G., Dvojchenkova G.P., Polivanskaya V.V.</b> Rationale for application of heat treatment to improve the process of foam separation of diamonds .....	158
<b>Kozlov V.A., Chernyshova E.N., Pikalov M.F.</b> Influence of pulp composition on float-and-sink cyclone performance .....	165
<b>Samusev A.L., Minenko V.G., Yagudina Yu.R., Karasov Yu.K.</b> Copper-zinc ore leaching in electrochemically modified dump water .....	176
<b>Sokolov I.V., Antipin Yu.G., Baranovsky K.V.</b> Experimental and commercial mining the transition zone reserves during combined development of the kishtim granulated quartz deposit .....	183
<b>Sokolov I.V., Antipin Yu.G., Nikitin I.V.</b> Modeling and optimization of uncovering method and scheme for steep ore bodies under open pit bottom .....	190
<b>Sokolov I.V., Smirnov A.A., Gobov N.V., Antipin Yu.G.</b> The expediency of subsurface concentration complexes application in iron ore mines .....	197
<b>Shumilova L.V., Kostikova O.S.</b> Effect of operating parameters on Jameson cell flotation machine performance «Jameson Cell» .....	207

### **Markshading**

<b>Redkin G.M.</b> Hierarchy of geochemical fields values .....	213
---	-----

### **Building of underground constructions and mines**

<b>Kulickov Yu.N.</b> The durability of the lining of micro-tunnels of polymer pipes .....	219
<b>Kulikova E.Yu.</b> Modern problems of technogenic safety in the conditions of development of underground space of the city .....	222

### **Measuring, control, diagnostics**

<b>Buyanova D.S.</b> Features of electrometric control of rock mass jointing around underground excavations .....	227
<b>Lodus E.V., Pak A.K., Kuznetsov N.N.</b> Analysis of hard rock strength characteristics under triaxial axisymmetric compression .....	233
<b>Tatarinov V.N., Morozov V.N., Kagan A.I.</b> Modeling stress and filtration of groundwater by selecting sites for underground disposal of radioactive waste .....	243

### **Mining cars, the equipment and transport**

<b>Bulgakov I.S., Sekisova I.A., Teryekhin E.P.</b> Investigation of the dependence of the coefficient of hydraulic fluid friction ( $\lambda$ ) on the Reynolds number ( $Re$ ) with respect to hydraulic drive .....	250
<b>Vagin V.S., Filatov A.M., Kurochkin A.I.</b> Correction dynamic loads in mobile excavating gearless hoisting unit hydraulic .....	254
<b>Goryachev V.I., Mikheyev I.I., Vorobiev S.E.</b> Vibrated layer dryers for particulate materials .....	259
<b>Gutarevych V.O.</b> Side oscillations of rolling-stock of mine suspended monorail .....	264

<b>Kantovich L.I., Sultonov H.N., Kuziev D.A.</b> Effect of the design and technology on cutting performance of pry-out front shovel machine in an open pit mine.....	271
<b>Malinovsky A.K., Sidach Y.A.</b> Study emergency stop mine hoist with variable parameters of the safety brake.....	276
<b>Toshov J.B.</b> Improve ways of drilling in blast holes by on ways optimization three dynamic parameters of the drill bits .....	281
<b>Khetagurov V.N., Kamenetsky E.S., Sobolev S.E., Pliev V.A., Gudieva N.A.</b> Effect of combined particulate material release from the centrifugal vertical mill working area on the granulometric composition of the final product.....	287
<b>Yakhontov Y.A.</b> Condition of self-excited vibration of suspended carrying rollers belt conveyors .....	292

### **Aerology, methane, safety**

<b>Slastunov S.V., Kolikov K.S., Karkashadze G.G.</b> High-tech utilization of mine methane – a way of the global climate management .....	298
<b>Slastunov S.V., Polchin A.I., Steflyuk Yu. Yu.</b> Underground studies into efficiency of multi-stage in-seam degassing in special mining-and-geological conditions of the extremely outburst-hazardous seam D6 in Kazakhstanskaya mine .....	302
<b>Yanchenko G.A.</b> Indicators moisture content combustion and gasification underground coal conditions and their interrelationships .....	308

### **Economics and management**

<b>Savon D.Yu.</b> Improvement of system of paid environmental management .....	314
<b>Frankevich Zh.A.</b> Principles of capital investment planning in the construction of underground workings and structures.....	321
<b>Yastrebinskiy M.A.</b> Economic assessment of the market criterion of reduced costs and its results .....	327
<b>Bakhvalov L.A., Tsatsorin E.A.</b> Data flow management control in cluster information systems.....	331

### **Explosive works**

<b>Kutuzov B.N., Belin V.A., Ganopol'skij M.I.</b> The criteria defining a choice of a way of production of special explosive works.....	336
--	-----

### **Mathematical and computer modeling**

<b>Volovik A.V., Efimenko A.V., Klavdiev I.A., Klavdiev A.A., Trushnikov V.E.</b> Assessment of stochastic similarity of objects with casual parameters complex technical systems.....	342
<b>Volovik A.V., Efimenko A.V., Klavdiev I.A., Klavdiev A.A., Trushnikov V.E.</b> Definition of indicators of reliability at extreme slu-chayah of selective supervision complex technical systems.....	350

### **Geology**

<b>Verkhoturov A.G.</b> Impact dynamics cryolithozone on mining and geological environment in Transbaikalia .....	357
<b>Gal'perin A.M., Kirichenko Ju.V., Shhëkina M.V., Kashirskij A.A., Jakupov I.I.</b> Evaluation of the possibility of involvement of ferromanganese seabed deposits in the development. Part II. Prospects for subocean hard mineral mining .....	361

### **Technology**

<b>Kantemirov V.D.</b> Technological features of development of new raw-material bases.....	369
---	-----

## Geodynamics

- Kamnev E.N., Morozov V.N., Tatarinov V.N., Kagan A.I., Kachur L.I.** Geodynamic zoning when designing the mining of uranium deposits ..... 374

## Oil and gas

- Shadrina A.V., Kabanova T.V.** Experimental investigation of rock failure with impact energy ..... 381

## Works of young scientists

- Zhikhareva V.S.** Problem of use of the marketing analysis at the enterprises for production of construction materials ..... 387
- Lyzina N.V.** Is the chinese yuan ready to become the world's reserve currency? ..... 391
- Nezhel'skaya A.V.** History of development and regulation of international commerce at the turn of centuries ..... 396
- Rapiev A.A.** Role of international economic integration in the jewelry industry of Kazakhstan ..... 404
- Rusakovich V.I.** Russia's foreign trade after wto accession: capabilities and limitations ..... 409
- Smirnova M.A.** Influence of political parties on business life and social environment in the Federal Republic of Germany ..... 417

## Preprints

- Lakeyev D.V.** Practical application of genetic algorithms to improve the performance of multinomenclature production ..... 94
- Konovalov A.B., Alexandrova T.N., Korchevenkov S.A.** Development of methodology for determining characteristics of water stream in trough of spiral separator consistent with it's geometrical characteristics ..... 175
- Bondarenko V.A., Savenok O.V.** Research of methods and technologies management of compli-cations, due to sand control ..... 182
- Shurygin D.N., Kalinchenko V.M., Chernov A.A., Vlasenko S.V., Chastic D.S., Pozdeev I.P., Krotenok A.Y., Farafonova R.V., Shchegol'kov Yu.S., Kostenko M.A., Lebedeva A.P.** Problems of mathematical modelling Uglevodorody strata ..... 226
- Akopov E.Yu.** Analysis of methods for surface hardening of the working wheels ..... 258
- Tarasov Yu.D., Trufanova I.S.** Improved intermediate linear drives of belt conveyors with increased tractive effort ..... 291
- Konovalov A.B., Alexandrova T.N., Korchevenkov S.A.** Theoretical substantiation of the division of fine materials in the gravitational devices ..... 416

## The deposited manuscripts

- Yakovskaya T.B., Zhigulskaya A.I., Romanova L.V., Oganessian A.S.** Prospects of the cluster model of development of peat industry: regional aspect ..... 55
- Yakovskaya T.B., Zhigulskaya A.I., Zhigulskiy M.A.** Features of estimation of economic efficiency of technologies of development of peat deposit ..... 106
- Romanova L.V., Yakovskaya T.B.** Planning of system of management personnel of mountain company, as planning of business ..... 242
- Romanova L.V.** Management by human capitals of mountain enterprise within the framework of stage-by-stage development ..... 286
- Zhigulskaya A.I., Egereva L.A., Zhigulskiy M.A.** Information management system multistage process waste processing resources of peat deposits ..... 297
- Morozov V.N., Kolesnicov I.Yu., Kagan A.I., Pyatigin V.A., Tatatinov V.N., Tatarinova T.A.** Calculation of deformation parameters of the geological environment around radwaste storages according to the results of observations of the earth surface displacements satellite systems ..... 368
- Yakovskaya T.B., Romanova L.V., Zhigulskaya A.I.** Features and problems of normatively-legal management by peat industry of russian federation ..... 386
