

CONTENT

Geotechnology

- Kurlenya M.V., Tsupov M.N., Savchenko A.V.* Methane inflow in roadways as a result of process blasting impact on coal seam.....5
- Fedotenko V.S., Korjakin A.A.* Application prospects for ejector dredges in cleaning of sludge collectors at processing plants.....15
- Cheban A.Yu., Sekisov A.G., Rasskazov M.I., etc.* Efficiency upgrading in selective mining of high-grade ore by means of preliminary physicochemical softening.....29

Mining industrial geology, Mining geophysics

- Ratov B.T., Fedorov B.V., Kuttybaev A.E., etc.* Drilling tools with compound cutting structure for hydrological and geotechnical drilling.....42
- Yannikov A.M., Zyryanov I.V., Korepanov A.Yu., Struchkova A.S.* Water drive dynamics and time history prediction in the Low Cambrian aquifer within Daldyn kimberlite field.....60
- Zueva I.A.* Modern capabilities of the Karelian Regional Seismic Network in recording of blasting-induced seismicity in Karelia74

Geomechanics, Rock failure

- Korchak S.A., Abaturova I.V., Savintsev I.A., Storozhenko L.A.* Rock mass quality assessment to reveal potentially hazardous areas in open pit mine design87
- Tailakov O.V., Makeev M.P., Utkaev E.A.* Numerical modeling and laboratory testing of reservoir properties of coal.....99
- Fryanov V.N., Pavlova L.D., Isachenko A.A., Kornev E.S.* Methane flow rate patterns in mixed-type degassing of coal seam during mining.....109

Mining machinery

- Teplyakova A.V., Azimov A.M., Alieva L., Zhukov I.A.* Improvement of manufacturability and endurance of percussion drill assemblies: Review and analysis of engineering solutions120
- Toshov J.B., Toshov B.R., Baratov B.N., Haqberdiyev A.L.* Designing new generation drill bits with optimal axial eccentricity133

Enrichment of minerals

- Kyaw Z.Y., Htet Z.O., Phyo K.K., Wai Z.K.* Optimization of processing flow charts for double refractory sulfide gold ore143
- Shumilova L.V., Yurgenson G.A., Khatkova A.N.* Tin-bearing polymetallic ore mining in Transbaikalia and physicochemical geotechnology of extraction of rare and nonferrous metals156

Energetics and energy efficiency of mining industry

- Malafeev S.I., Konyashin V.I., Novgorodov A.A.* Mechatronic transmission design and implementation for dump truck BelAZ-90169
